AMERICAN
KENNEL CLUB

AKC® Code of Sportsmanship and Civility

Preface: The tradition of competitive purebred dog events predates 1884 – the year the American Kennel Club (AKC) was founded. Those involved in these sports share core values, including a strong commitment to sportsmanship and a welcoming, respectful culture that embraces the diverse community united by a love of dogs.

These values are evident across all aspects of the sport: Conformation, Performance, Companion, and family dog activities. Many believe that the enduring principles of sportsmanship and civility are key reasons the sport has thrived for over 140 years.

Recognizing that periodically reaffirming our shared values strengthens our community, the revised code will be shared widely to highlight the foundational values and principles that define the sport.

- Sportspeople always place the welfare of their dog above all else.
- Sportspeople prioritize the long-term health and preservation of their breed, making decisions that reflect a deep commitment to responsible breeding and ownership.
- Sportspeople respect the history, traditions and integrity of the sport of purebred dogs.
- Sportspeople conduct themselves in a manner that reflects positively on the sport, the American Kennel Club, and themselves.
- Sportspeople appreciate, encourage and support all who associate with and participate in the sports by fostering an environment where respect, equity, inclusion, and courtesy are foundational.
- Sportspeople understand, uphold and abide by all AKC bylaws, rules, regulations and policies.
- Sportspeople contribute to a positive atmosphere at events by avoiding negative gossip, disparagement, or unsportsmanlike behavior.
- Sportspeople extend their values of civility, fairness, and respect to all digital and social media platforms.
- Sportspeople actively support the education and mentorship of newcomers, helping them learn the rules, values, and traditions of the sport in a respectful way.
- Sportspeople recognize that they are role models in the sport, and strive to lead by example through humility, kindness, and ethical conduct.
- Sportspeople treat fellow exhibitors, judges, officials, volunteers, spectators, and AKC staff with dignity and respect, regardless of experience, background, or differences in opinion.
- Sportspeople are committed to fair play, honesty, courtesy, and competition, approaching both winning and losing with grace.
- Sportspeople understand that strong competition and civility can – and should – coexist. They appreciate the quality of their competitors, and the effort put forth by others.
- Sportspeople uphold their responsibilities to the sport of purebred dogs and refuse to let personal gain or self-interest influence their decisions or behavior.
- The sportsperson judges only on the merits of the dogs and considers no other factors.
- The sportsperson judge or exhibitor accepts constructive criticism.
- The sportsperson exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsperson exhibitor refuses to compromise the impartiality of a judge.
- Sportspeople are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportspeople decline to exploit any positions of authority or recognition for personal advantage.
- Sportspeople appreciate those that have gone before them and realize they are responsible for maintaining and enhancing the sport for future generations.

We Do for Dogs.**

DARKNESS TO LIGHT ABUSE HOTLINE

The AKC is committed to creating a safe and respectful sport environment for all. If you need to talk to someone, or need help, please call (800) 656-HOPE (National Sexual Assault Hotline) or text HOME to 741-741 for free, 24/7, confidential services from trained crisis counselors.

The AKC National Owner-Handled Series is a non-titling competition for dogs that are exhibited by their owners that are not professional handlers.

Exhibitors must declare their dog is Owner-Handled eligible at the time of entry on the entry form.

Dogs entered in the Amateur-Owner-Handler class (if offered) will automatically be marked as eligible to compete in the NOHS. Eligible dogs will be identified by an asterisk in the

judge's book, steward's book & the catalog. Dogs must be handled throughout the breed level competition for the regular show by an eligible owner.

Professional handlers*, household members and current assistants** to professional handlers may not exhibit the dog in any NOHS competition during the entire show. For a detailed description of the National Owner-Handled Series, please visit the AKC website NOHS pages at:

http://images.akc.org/pdf/NOHS_Regs.pdf

*Professional handlers are defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay within the last five years.

**A current assistant is defined as anyone employed by a professional handler on a full-time basis or assisting a professional handler at the show or any time during the cluster/weekend. Current assistants that are eligible to compete in Junior Showmanship (meet age & amateur status requirements) may participate in NOHS.

The Owner-Handled Best of Breed will be selected from eligible dogs that competed in the Best of Breed competition. This includes Winners Dog, Winners Bitch, and the undefeated winners of the non-Regular (single dog entry) Classes. This excludes all dogs defeated during Regular Classes and winners competition.

**Entry into NOHS is NOT automatic!
Remember to check the box near the
bottom of the entry form if eligible.**

JUNIOR SHOWMANSHIP COMPETITION

Junior Handlers who win a third Novice Class with competition present or a first place in Novice without competition leading to a Best Junior award with competition would count as one win towards moving to Open, after the closing of entries for a show, ARE REQUIRED to transfer their entry from the Novice Class to the Open Class. Junior MUST NOTIFY the Superintendent/Event Secretary prior to the judging of the class at the show.

AKC Junior Handler Numbers are now required for entry in Junior Showmanship Competition. Numbers may be obtained from the American Kennel Club - PHONE: (919) 233-9767. For additional information contact American Kennel Club, Junior Showmanship, P.O. Box 900051, Raleigh, NC 27675- 9051. Phone (919) 233-9767 or E-mail: juniors@akc.org. Entry blank MUST be filled out with the necessary information, otherwise the entry in Junior Showmanship will not be accepted.

(A) NOVICE CLASS: For Boys and Girls who are at least 9 years old and under 18 years old on the day of the show and who, at the time entries close, have not won three First Places in a Novice Junior Showmanship Class with competition present at a licensed or member show.

(B) OPEN CLASS: For Boys and Girls who are at least 9 years old and under 18 years old on the day of the show and who, at the time entries close, have won three First Places in a Novice Junior Showmanship Class with competition present at a licensed or member show. Juniors which according to their records have completed the requirements to compete in the Open Class but whose status is unconfirmed by the American Kennel Club are limited to competing in the Open Class for a period of 60 days from the date of the show where the Junior completed the requirements according to their records.

(C) MASTER CLASS: This class will be for Boys and Girls who are at least 9 years old and under 18 years on the day of the show, and who have 10 Best Junior wins with competition. The calendar for this class will be consistent with the eligibility dates for the AKC National Championship. All Juniors meeting the criteria for this class are required to enter the Master Class and must change their entry the day of the show if entries have already closed. Once the eligibility time frame for that year has passed all participants return to the Open Class to compete for the following year.

No entry may be changed or cancelled unless notice of the change or cancellation is received in writing by the Superintendent or Show Secretary named in the premium list to receive entries, prior to the closing date and hour for entries, except that a correction may be made from one age division to another, as well as, move from Master to Open or Open to Novice if a win has been disallowed or the Junior miscalculated number of placements, provided this transfer is made by the Superintendent or Show Secretary prior to the judging of the class at the show.

(D) Junior, Intermediate and Senior Classes.

The Novice and Open regular classes may be divided by age into Junior, Intermediate and Senior Classes, provided the division is specified in the premium list. A Junior Class shall be for boys and girls who are at least 9 years old and under 12 years old on the day of the show. The Intermediate Class shall be for boys and girls who are at least 12 years old and under 15 years old on the day of the show. The Senior Class shall be for boys and girls who are at least 15 years old and under 18 years old on the day of the show.

JUNIORS WITH A DOG ALSO ENTERED IN ANOTHER CLASS OFFERED AT THIS SHOW WHO SUBSTITUTE A DOG NOT ENTERED IN THIS SHOW MUST REMIT THE DIFFERENCE BETWEEN JUNIOR ONLY AND JUNIOR AS AN ADDITIONAL CLASS ENTRY FEE. JUNIORS WHO HAVE ENTERED JUNIOR SHOWMANSHIP ONLY WHO THEN SUBSTITUTE ANOTHER DOG WILL NOT BE CHARGED A FURTHER FEE.

AKC SANCTIONED 4-6 MONTH PUPPY COMPETITION

The Four-to-Six Month Puppy competition shall be for Saint Bernards that are four months of age and over but under six months on the day of the event. Classes will be offered for breeds and varieties and divided into Groups as described in Chapter 3, Section 1 of the Rules Applying to Dog Shows.

Professional handlers are defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay within the last five years. Dogs may not be exhibited by current assistants or household members of a professional handler. A current assistant is defined as anyone employed by a professional handler on a full-time basis, or, assisting a professional handler at the show or any show during the cluster/weekend. For complete Conformation Championship requirements see Chapter 16 of the Rules Applying to Dog Shows

The Points toward a Championship shall be awarded to the Winners Dog and Bitch of each breed or variety based on the actual number of dogs or bitches competing in that breed or variety.

If the dog designated Winners Dog or Winners Bitch is also awarded Best of Breed or Variety, the dogs of both sexes that have been entered for Best of Breed or Variety competition and that have been defeated in such competition, shall be counted in addition to the dogs that completed in the regular classes for its sex in calculating championship points.

DOGS IN ROOMS PER SBCA POLICY

Effective with the 2024 National Specialty, the SBCA established the following rules that attendees must follow in order to keep dogs in guest rooms of the host hotel. “Guest room” definition includes, but is not limited to rooms, condos, suites, cabins or units, no matter how many bedrooms are involved.

- A total of no more than 2 dogs (no matter what breed) per room/condo/suite/cabin/unit. Any exception has to be approved by the SBCA Board.
- Dogs must be crated at all times while in a guest room. Appropriate measures must be taken to protect the carpet and surrounding areas under and near the crate. Recommendation to have a handout given to each exhibitor stating the crating policy at check-in.
- It is at the Show Chairperson discretion to have exhibitor’s rooms checked that the SBCA dog policy is being enforced.
- The guest agrees to take full financial liability for all damages by the pet including but not limited to, odor, damaging furniture or any part of the room, urination, etc. This includes other parts of the hotel where the dog may have to pass through to get to the rooms, i.e. – the hallways and elevators.
- A pet fee charge per day, per room, may be applied to the hotel bill.
- Hotels may charge an additional security deposit.

SBCA POOP FINE PER SBCA POLICY

Decency is about treating other people and their property with respect, thoughtfulness and consideration. It’s about behaving in a way that shows that you care about others. It also creates a positive environment that encourages others to act in a similar manner. The SBCA endeavors to be a beacon of respect to others and the venues where we host our National Specialty and therefore will enforce the following “SBCA Poop Fine Policy”.

Any person who does not pick up after their dog on any part of the show grounds and hotel site for the National including but not limited to the ring area, parking lots, grassy areas and event sites, shall be subject to a \$50.00 fine. This notice will be printed in the Premium List as well as posted on the show’s website. Further notices will be posted throughout the show site, including placing flyers in any hospitality bags or with registration handouts. The Show Committee, if necessary, will obtain a list of offenders and submit the list to the Board and the SBCA President will authorize a written letter of reprimand to the offenders.

***FAILURE TO COMPLY WITH THESE RULES
WILL RESULT IN A BENCH SHOW HEARING
AND FINES***

NATIONAL SPECIALTY BREEDER ACHIEVEMENT AWARD (NSBAA)

(Board Approved February 7, 2023)

The National Specialty Breeder Achievement Award is presented each year to the breeder/co-breeders who has/have had the most success exhibiting at that National. The point calculations comprising this award are the responsibility of the Board Members from the Region in which the show is held. Proxy(s) may be designated if regional Board members are unavailable to tally points. This year Pamela Dixon Predmore (Eastern Delegate) and Susan Carter (Vice President & Eastern Delegate Proxy) will tabulate the results.

BREEDER AWARD RULES

This trophy is awarded annually based on points accumulated at that year's national specialty show. **Only SBCA members in good standing may compete for the National Specialty Breeder Achievement Award.** The specialty show schedule will determine timeframe for announcing the winner(s).

The trophy is allowed to be kept for one year. Co-breeders will determine their own timeframe for possession within the year. The trophy is returned for display and presentation by the next year's National Specialty. A limited-edition print is awarded and sent to the winner(s) as a remembrance.

Conditions:

- The top 6 Saints of any breeder/co-breeder entered in the regular conformation classes, Winner's Dog, Winner's Bitch and Best of Breed competition at the show will be considered. See the examples of how to calculate total points.
- Each Co-Breeder of a specific dog will be awarded the same number of points for the particular win of that dog. (EXAMPLE: if a co-bred dog wins Best of Breed, Co-Breeder X gets 12 points and Co-Breeder Y also gets 12 points, based on the point schedule below). Co-breeders will be limited to 4 in total.
- Points for each animal will be awarded for the highest place achieved by that specific animal. Points are not cumulative for higher wins.
- Point calculations will be based on the breeder information found in the SHOW CATALOG.

Due to the possibility of typographical errors in the catalog or errors made by exhibitors filling out entries, it is the breeder's/co-breeder's responsibility to ensure accuracy of the breeder information in the catalog prior to all judging.

Non-Regular Classes *(Involving Single Dog Entries)*

Working Dogs / Working Bitches

The SBCA created a non-regular class (one for Dogs and a one for Bitches) at the National Specialty Show called the "Working Dog Class." The class shall be placed following the competition for Winners Dog/Bitch and immediately before Veteran Dog/Bitch. The criteria for entering the class is as follows: 1) Any dog or bitch entered in these classes must have achieved any of the approved SBCA Working Dog titles, for example, Draft Dog (DD) or Weight Pull (WP). 2) Any Dog or bitch winning entered in these classes must be intact. 3) Any dog or bitch winning first place in these classes will be eligible for competition in the Best of Breed Class.

Veteran Dogs / Veteran Bitches

Ch. 11, Sec. 8 of the "Rules Applying to Dog Shows" provides that "Neutered dogs and spayed bitches would be allowed to compete in Veterans Classes only at independent specialties and/or those all-breed shows which do not offer any competitive classes beyond Best of Breed." Spayed Bitches and Neutered Dogs may be entered in Veteran Classes, Stud Dog, Brood Bitch and Brace.

Best Of Breed

BEST OF BREED COMPETITION: The following categories of dogs may be entered and shown in Best of Breed Competition: Dogs that are Champions of Record, and dogs that according to their owner's records have completed the requirements for a Championship but whose Championships are unconfirmed. The showing of dogs whose Championships are unconfirmed is limited to a period of 90 days from the date of the show where a dog completed the requirements for a Championship according to the owner's records. AKC Best Of Winners, Select Dog and Select Bitch & NOHS will be awarded during Best of Breed competition.

Non-Regular Classes *(Involving Multiple Dog Entries)*

Stud Dog
Brood Bitch
Brace

Note: Non-regular classes involving multiple entries may be judged before or after Best of Breed. As the judge's decision in these classes will be based on the merits of more than one dog, no one of the dogs making up the entry judged first in the class will be eligible to compete for Best of Breed or Best of Opposite Sex to Best of Breed by virtue of having won the class.

Stud Dog Class and Brood Bitch Class: Each entry is allowed two get. The merits of the Stud Dog or Brood Bitch are not considered in the placement of the entry. It is the quality of the get that forms the basis for the judge's decision. All get must be examined and gaited. The Stud Dog or Brood Bitch must also be examined to determine if there is a condition that would require disqualification or excusal under the Rules, AKC policy or the breed standard. All get must be entered in a regular class in order to be eligible to compete in the Stud Dog or Brood Bitch Class. Handlers of the Stud Dog or Brood Bitch, and all get being exhibited, must wear armbands. Ch. 11, Sec. 8 of the "Rules Applying to Dog Shows" provides that "a castrated male may be entered as a Stud Dog in the Stud Dog Class and a spayed bitch may be entered as a Brood Bitch in the Brood Bitch Class."

Brace Class: Two Dogs, performing in unison, and presented by a maximum of two handlers. Both dogs competing in the brace class must have at least one common owner. Dogs do not need to be entered in any other class. Dogs comprising a Brace Class must be named at the time of entry, and full particulars must be given for each dog on individual entry forms. If a dog which is to be part of a Brace is not entered in another class, it must be entered for "Brace Class only." An entry form for a dog entered in another class and entered as part of a Brace must be marked accordingly in the space provided for additional classes as "Brace Class."

Bred By Exhibitor Eligibility

- All dogs entered in the Bred by Exhibitor Class must be individually registered with the AKC.
- The persons handling the dog must be a breeder of record of the dog and an owner of record of the dog.
- To exhibit in this class, family members must be a breeder and owner of record.

SPECIAL ATTRACTIONS

NOHS Best Of Breed

(See Page 3 for Eligibility requirements - Awarded during Best Of Breed Competition)

Best Bred-By Exhibitor

Best bred-by exhibitor involves the winners of all of the Bred-By Exhibitor classes. Even if one dog or bitch has beaten another by virtue of receiving winners or reserve from the classes, all class winners return to the ring for the judging. This is a separate attraction. What happened in the regular classes has no bearing on this award.

The winner of the BBE class will be awarded a free litter registration certificate provided by AKC.

Best Puppy

Best puppy involves the winners of the 6-9, 9-12 and Bred By Exhibitor Puppy classes. Even if one puppy has beaten another by virtue of receiving winners or reserve from the classes, all four puppy class winners return to the ring for the judging of best puppy. This is a separate attraction. What happened in the regular classes has no bearing on the best Puppy award.

Best Veteran

Best Veteran involves the winners of all of the Veteran classes. Even if one Veteran has beaten another by virtue of receiving an advanced award, all four class winners return to the ring for the judging of best Veteran. This is a separate attraction. What happened in the non-regular classes has no bearing on the best Veteran award.

AWARDS OF MERIT

This award is to recognize excellence beyond Best of Breed and Best of Opposite Sex to Best of Breed.

All Saints eligible for the Best of Breed class, except those awarded Best-Of-Breed, Best Of Opposite Sex, Select Dog and Select Bitch are eligible to be given an “Award-Of-Merit” (AOM) subject to the following restrictions:

- The maximum number of AOM’s that may be awarded shall be ten percent (10%) of the total number of entries in the Best of Breed class, INCLUDING Winners Dog and Winners Bitch, Veteran class winners, Working Dog winner, Working Bitch winner, and those dogs moved up to Breed per AKC rules. In calculating the maximum number of AOMs allowable under the 10% rule, any fractional number shall be rounded off to the next highest whole number. For example: with 67 Best of Breed Saints entered, plus WD, WB, Veteran Dog, Veteran Bitch, Working Dog and Working Bitch (total number of 73), ten percent is 7.3, thus rounding off the maximum number of AOMs that may be awarded is 8, the next highest number.
- The judge may withhold any or all of the AOMs for lack of merit.
- There shall be no limitation of the awarding of AOM’s with respect to sex.
- Best of Breed, Best of Opposite Sex to Best of Breed, Select Dog and Select Bitch are NOT eligible for AOM, however both Winners Dog and Winners Bitch are eligible for AOM.
- All AOMs receive the same recognition and awards.
- AOM’s are chosen immediately following the Best of Breed, Best of Winners, and Best of Opposite Sex, Select Dog and Select Bitch. The dogs must remain in the ring to receive the awards.

Updated: Monday, July 20, 2026

Since first detected on June 3, 2026, 41 cases of New World Screwworm (NWS, hereinafter screwworm) have been detected in southwest Texas and New Mexico. NWS is a parasitic fly whose larvae burrow into the living tissue of warm-blooded animals, typically through an open wound, causing painful wounds, serious infection, and sometimes death. It can affect livestock, wildlife, pets, and occasionally dogs, which may be at risk if they have open wounds or if they come into contact with infested animals or contaminated areas. The United States Department of Agriculture (USDA) and state departments of agriculture and health officials continue to work together to address the issue.

The American Kennel Club (AKC) recommends that all dog owners, or anyone who works with dogs, to learn about screwworm and to stay updated on developments and animal movement requirements imposed to prevent its spread, especially:

Anyone potentially engaging in interstate transportation with dogs, including owners, AKC event competitors, professional handlers, event superintendents, and interstate transporters, including those that are part of shelter and rescue operations should pay attention to NWS-related animal movement rules imposed by (1) their home state; (2) all states they will travel through, both outbound and return; and (3) their destination state.

Show and trial secretaries, who are encouraged to determine the impact of NWS-related animal movement restrictions, particularly for events to be held in any state with an Infested Zone.

2026 NWS Confirmed Cases

[Click here to view Confirmed Detections of New World Screwworm \(by USDA, updated in real time\).](#)

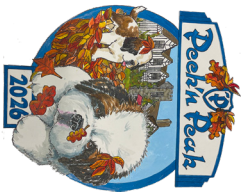

Federal and State Responses to NWS

Federal and state officials are responding to NWS by creating or maintaining 20-km Infested Zones around confirmed detections and imposing quarantines, movement controls, and heightened surveillance in those zones. Additionally, sterilized flies are being released in Infested Zones and Adjacent Surveillance Zones to prevent future generations of the screwworm fly. Go to www.screwworm.gov for additional details on the federal government's response to NWS.

To date, 45 states have created their own NWS-related rules, requirements, and movement restrictions for animals, which are in addition to their regular animal interstate importation requirements. While Alaska, Hawai'i, Nevada, Ohio, and Wyoming have not created screwworm-related requirements, their regular animal interstate importation requirements still apply. All current requirements are listed below.

Please note that while every effort has been made to provide current information, laws, regulations, and emergency orders often change. AKC makes no warranties or guarantees about the accuracy, completeness, or adequacy of the information below. Anyone planning for interstate travel with dogs should check official sources or contact the appropriate state agency for the most up-to-date information and requirements.

NEW YORK: (1) No domestic animal originating from an infested premises or a premises under investigation for suspected NWS shall enter NY State until the premises is declared free of NWS by the originating state's animal health authority. (2) No domestic animal originating from an Infested Zone shall enter the State until the animal has been examined by an accredited veterinarian and found to be free of NWS. (3) All domestic animals originating from any state with one or more Infested Zone or Zones shall be inspected and have a CVI issued by an accredited veterinarian issued within five (5) days of entry. The CVI shall include a statement that all animals listed on the CVI were inspected and found to be free of New World Screwworm. (4) All domestic animals originating from an Infested Zone shall be prophylactically treated for NWS with a product that is authorized or conditionally approved for use to treat or prevent NWS infections or a product that has received emergency use authorization for NWS treatment or prevention. The product shall be administered no more than 14 days prior to entry. The CVI shall include the name of the product used, the date the product was administered, and the route of administration. (5) Dogs originating from a state with one or more NWS Infested Zones entering NY State for the purposes of rescue, adoption, transfer, sale, lease, sponsorship, or gift shall be prophylactically treated for NWS with a product that is authorized or conditionally approved for use to treat or prevent NWS infections or a product that has received emergency use authorization for NWS treatment or prevention. The product shall be administered no more than 14 days prior to entry. The CVI shall include the name of the product used, the date the product was administered, and the route of administration..
